

FAMILY/STUDENT SATISFACTION SURVEY (1 of 2)

Dear Families,

As we approach our mid-winter break, I want to thank you all for your help and support. As a professional trying to meet the needs of all students, I am always looking for ways to improve. You can help by giving me feedback about the strengths and weaknesses you see in my program. Please take a few minutes to fill out the following survey. If possible, please discuss these questions with your child and come up with answers together.

Note that there is no place to put your name, so you will remain anonymous unless you wish to sign your name. Once it's completed, fold the survey in half and have your student return it to the box by my desk. As always, if you wish to talk to me personally, give me a call.

Sincerely,
